Good afternoon Art,

Thank you so much again for your help with this. Apologies for the delay.

As promised, I am copying Matthew Severson, operations manager for the Hollywood Property Owners Alliance, the BID that serves the Hollywood area. Matthew will be in touch with you regarding the BID's "Clean Street" team using the San Fernando Road yard.

Thank you again!

Sincerely,

**Dan Halden**

Hi Art -

Thank you for all your recent help with all the bulky item pickups and the Loma Vista issue.

We wanted to ask if it was okay to have the Hollywood BID drop off bulky's at one of the sanitation yards.

In an effort to help maintain the Hollywood area free of bulkys, the BID hired help in order to be able to have residents call bulkys in. As you know our district is flooded with bulkys and any help we can take to keep them off the street before they land in encampments is an urgency at this point.

I've spoken to Enrique about groups who have taken the initiative to be proactive and collect bulky's and dump at the yard he has always been okay with it. We currently have LACC, our youth clean team drop off debris and bulkys, as well as another non-profit, Immigrants Charitable Foundation at North Central.

Please let me know if it's okay to have the BID drop off and if so which location.

Thanks!
